City of Lights

NEW YORK

Head to the Big Apple this Christmas because nowhere does it as big and brash as this vibrant city. Go ice skating at the Rockefeller Centre and take a trip on a horse and trap around Central Park under snuggly blankets before heading to Madison Avenue for the best shopping (and festive shop windows) in the world. Don't miss a visit to twinkly Times Square and a show on Broadway. Stay at the plush new EDITION hotel, right in the heart of the Flatiron District.
