Eleven Bahama House
Harbour Island

Harbour Island (aka Briland) is the spot for veering off the sandy golf-buggy-trodden track, and this bougainvillea-clad, 11-room home (book rooms or the whole lodge) makes a charming base for a paradisiacal getaway. What sets it apart is Eleven's unparalleled taste for adventure. After a chef-prepped breakfast, expert guides are on hand to whisk water-babies off on aqueous escapades at the balmiest beaches, sand shoals and reefs bursting with marine life. Take the plunge and you might be lucky enough to spot starfish and stingrays – and discover a technicolour micro-universe beneath the surface. Adrenaline junkies will also love riding waves behind the hotel's all-new wake boat. Bob back to Dunmore Town for standout dining under the stars at A-list favourite The Landing – best followed by a Bahamian boogie at Gusty's, or a more serene sundowner at the lodge's tiki bar, where the Goombay Smash is an island favourite.
