Vitamin SEA

It's somewhere we go for relaxation, rest and tranquillity – no wonder the beach is such a favourite for honeymooners. Add these beautiful coastal offerings to your bucket list, stat

Baros Maldives

Harbour Island, Bahamas

Saadiyat Island, Abu Dhabi

SALALAH BEACH, OMAN

Set along the Arabian coast, Salalah Rotana Resort is spread over 15.6-million square metres with an 8.2km beachfront. Salalah Beach is located in one of the most breathtaking natural settings in the Sultanate, set against a beautiful backdrop of lush vegetation, freshwater springs, rolling mountains, golden sands and crystal-clear waters of the Indian Ocean. **From £73 per night, rotana.com**

HARBOUR ISLAND, BAHAMAS

The calm, turquoise waters and soft, powdery sand of Bahama's beaches have earned them top honours as some of the best in the world: Treasure Cay Beach in The Abacos, Gold Rock Beach on Grand Bahama Island, Cape Santa Maria Beach on Long Island, and Harbour Island's pink sand beach are among the top finds. We recommend a stay at Bahama House, which epitomises luxury island living and boasts that pretty pink beach! **From £390 per night, elevenexperience.com**

BAROS MALDIVES

Surrounded by tropical greenery and an exquisite house reef just 15 metres from the shore, Baros Maldives is the ultimate choice for a romantic and secluded honeymoon. There are 45 beachside and 30 private water villas, many with their own pools and each complete with a dedicated villa 'host'. Baros Maldives has its own diving school, too, and a pop-up restaurant on a nearby sandbank, where you can dine together with the water lapping your feet. **From £464 per night, baros.com**

SAADIYAT ISLAND, ABU DHABI

Set on a spectacular 9km stretch of pristine white beach on Abu Dhabi's breathtaking Saadiyat Island, featuring idyllic beaches that are home to indigenous Hawksbill turtles, sits Saadiyat Rotana Resort & Villas. The five-star property boasts modern Arabic architecture and uninterrupted Arabian Gulf views, with rooms nestled among swaying palms and soothing water features. **From £171 per night, rotana.com**

RHOSSILI BAY, SWANSEA

For something closer to home, the remote beach of Rhossili Bay encompasses three miles of golden sand and sits within the first designated Area of Outstanding Natural Beauty in the UK. Little wonder, then, earlier this year it was voted the third best beach in the UK in the TripAdvisor Travellers' Choice Awards, where it has held a top 10 position for six years running. We recommend a stay at the very quirky Music Fable, with its design-led décor and panoramic sea views. **From £300 per night, themusicfable.com**

THE ANAM, VIETNAM

The Anam has a mantra of 'no shoes, no news, no stress' – perfect for couples looking to get away from it all. Its 117 villas, 96 rooms and suites, three swimming pools and Balinese spa are set on a sprawling 12-hectare estate surrounded by lush gardens and headlands overlooking 300 metres of private beachfront and crystal-clear turquoise waters. The resort's dedicated honeymoon package also features a romantic dinner for two on the beach. **From £141 per night, theanam.com**
